## Q & A Session for General Practitioners working with People with Borderline Personality Disorder (BPD)

GPs are invited to attend this free live video-conference session to raise questions and discuss issues regarding to both practice and knowledge in relation to working with people with BPD.

**DATE AND TIME:**  
Wed 7 October 2020  
6:30pm to 7:30pm (AEDT)

### ABOUT:

This free live video-conference session includes a panel comprising three very experienced specialists, including two Spectrum psychiatrists and a GP Specialist. The session will provide an opportunity to raise questions and discuss issues regarding both practice and knowledge in relation to working with people with BPD and to participate in facilitated and informative consideration of the questions raised.

Topics for consideration will be on general practice questions rather than about specific clients. Questions will be taken live within the session.

### Panel:

Associate Professor Sathya Rao  
Dr Gillian Singleton  
Dr Lukas Cheney

**FREE  
online  
event**

Participants are welcome to suggest any questions they would like the panel to address. To submit a question and for any further details contact:
